

Where is the ELF?

Ideas for use

- Print, cut-out, and laminate the elves. Tape the elves around the classroom in the morning before the students come into the classroom. Have the students search the room and take turns saying the location of the elves during calendar/circle time.
- Print the "Where is the Elf?" Page and the "The Elf..." page double-sided and laminate. Move the elves each morning and have the students use dry erase markers to circle and/or write a sentence about the Elf's location each day.
- Do a "Write the Room" activity using the "Where is the Elf?" worksheet (provided in color & black/white).
