Story Web FREEBIE

Spaghetti with the Yeti is an adorable story about a boy who heads out to discover a Yeti! He meets several monsters on the way who give him suggestions for Yeti treats, but the boy has his own treat in mind. Spaghetti!

This Story Web FREEBIE was created to go along with the book Spaghetti with the Yeti. It includes a Story Web Page and 5 error-free, picture supported answer choices for students to cut and paste on the Story Web Page. Great for elementary and special education classrooms!
