## To use with Google Slides

Here is a FREE Home Scavenger Hunt Activity to use with Google Slides during your online class meetings. You can print the slides out and hold them up while you talk or Screen Share the activity with your students. I also included a printable PDF version 😊

**HOW TO PLAY:** You can give the scavenger hunt item list to students ahead of time to save time or have students get up and search during your class meeting. Announce the item to search for, give students time to locate the item, and have students take turns sharing what they found. 😊 Have Fun!

To access the activity, click the LINK below. You will be prompted to make your own copy for your personal Google Drive. You can then print the activity from Google Slides or Screen Share the activity in an online meeting.
